Good Afternoon Mr. Riskin,

Please be advised that the Department of Recreation and Parks (Department) finds that "unusual circumstances" exist with respect to the requested records. Pursuant to California Government Code Section 6253(c)(1), unusual circumstances exist due to the need to search for and collect records from field facilities and/or offices that are separate from the Board Office. The Department hereby requests an extension in making a determination concerning your request on or before Thursday, August 4, 2016.

Please feel free to contact the Office of Board of Recreation and Park Commissioners at (213) 202-2640 regarding this matter. Thank you for your patience.

Dear RAP Commissioners,

I'd like to take a look at any records, including but not limited to emails, that concern Selma Park in Hollywood from between September 1, 2015 and July 15, 2016. I'm expecting at least emails from daniel.halden@lacity.org and possibly some from the domains hollywoodbid.org and andrewsinternational.com. There may be others, though.

Thanks,

Adrian Riskin
